

How to find me

(Shetland place names)

If you want to find me
Follow my guidance.
Ever been to Brek?
To Gloup, to Fleth, to Moo?
You will pass them all.

Then you should settle in Setter,
And lie in Lie,
Before moving towards Howgoland.

But stay away from The Gun
Near Witches' Hill and The Black Hole
Where the Villians of Hamnavoe hide.

Watch out for Ballista, and fear the
Cries of the Keldiebusters of Wormadail:
Brounatwat! Watquhy! Culzevo!
In Muckle Hell.

If you turn west at Wethersta,
You will find me, waiting...
