

FORMS5: New Sub-Project Request -INVESTMENTS

The purpose of this manual is to explain how to request a New Sub-Project using Agresso Forms. This New Sub-Project Request Form will then follow an Approval workflow dependent on the Cost Class selected on the Form until it then a new Sub-Project is created, or the request is rejected and closed off.

This form will cover the following cost classes:

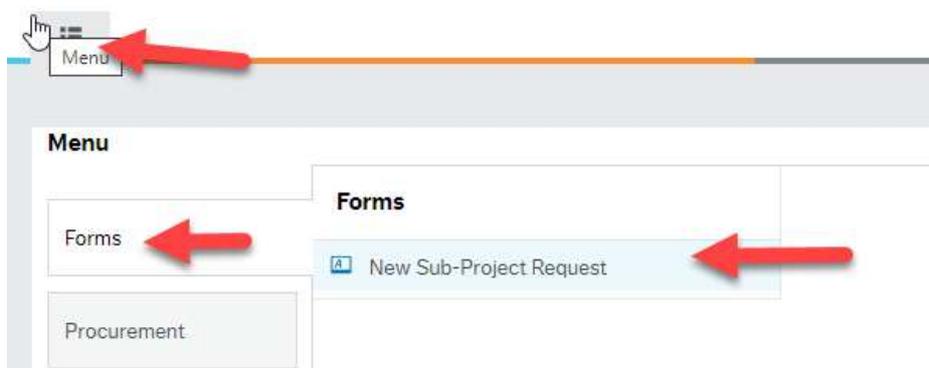

751	IS Major Projects
752	IS Revenue Projects
753	IS Maintenance
754	IS Annual Spend
755	IS Minor Projects
761	Research Strategy
762	Learning and Teaching Strategy
763	Innovation Strategy
764	Internationalisation Strategy
765	Sustainability
766	Strategy Implementation
767	Strategy Unallocated
773	Equipment
781	Interest Payable
782	Loan Repayment

Once the New Sub-Project Request Form has created a new Sub-Project an email will automatically be sent to the Form Requestor and Sub-Project Budget Holder making them aware the Sub-Project is available to use.

There is also an enquiry that can be used to check the status of the Request as it goes through the workflow process.
